

McFarland Business Watch Program

A partnership between the McFarland Business Community,
McFarland Chamber of Commerce and the McFarland Police
Department

McFarland Business Watch Program

Dear McFarland Business Owner:

The McFarland Police Department and the McFarland Chamber of Commerce are joining to create the McFarland Business Watch Program. The program will create a flow of information to local businesses to help deal with crime-related incidents within the Village of McFarland. Our department will provide the local businesses with prompt notification of ongoing problems that occur, as well as provide crime prevention training. The training will allow business employees and owners to implement measures aimed at reducing the probability of becoming victimized and how to react properly and safely to crime related incidents that may occur. This program will help:

- Enhance and improve the business community
- Assist business owners and employees with crime related incidents
- Create a network of prompt crime alerts within the business community
- Create two-way communication between the business community and the police department.

Please remember that this program is without charge and can only continue with your generous support. Donations can be made payable to McFarland Business Watch Program and may be deposited directly at McFarland State Bank or mailed to the McFarland Chamber of Commerce, PO Box 372, McFarland, WI 53558. It should be noted that donations are NOT tax deductible.

Thank you,

Gregory W. Leck, Chief of Police
McFarland Police Department

Steve Jansen, President
McFarland Chamber of Commerce
